

AACD

Association of Anesthesia Clinical Directors

Perioperative Leadership Summit

- AACD Annual Meeting
- March 8-10, 2019
- Hyatt Regency San Antonio, TX
- Early resident/fellow registration \$35.00

What is the AACD?

- Formed in 1988 at the ASA meeting by a group of anesthesiologists with the primary responsibility of operating room management
- Physicians discovered their problems were universal to all, and that common solutions could be found through an association and dialogue
- Meets annually in March to share ideas with colleagues, meet anesthesiologists who have more experience, and share in a common forum for the discussion of problems and solutions

Why should I join?

- Great way to learn more about OR management
- Small community of administrators that you can interact with in a small group setting
- Only **\$10.00** for annual resident membership!
 - Reduced registration fee for annual meeting
 - Talk to you chair about a group membership

Abstract submission deadline December 15, 2018
