AACD 2026 Perioperative Leadership Summit
“Positive Disruption: Harnessing the Cadence of ORganizational Life ”

Target Audience

This meeting is designed for anesthesiologists.

Accreditation and Designation Statements

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Mississippi State Medical Association (MSMA) and the Association of Anesthesia Clinical Directors (AACD). The Mississippi State Medical Association is accredited by the ACCME to provide continuing medical education for physicians.

The Mississippi State Medical Association designates this live activity for a maximum of 19.50 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Commercial Support Acknowledgement

The CME activity is not supported by any educational grants from ineligible companies.

Disclosure Policy

The Mississippi State Medical Association remains strongly committed to providing the best available evidence-based clinical information to participants of this educational activity and requires an open disclosure of any potential conflict of interest identified by our faculty members. It is not the intent of the Mississippi State Medical Association to eliminate all situations of potential conflict of interest, but rather to enable those who are working with the Mississippi State Medical Association to recognize situations that may be subject to question by others. All disclosed conflicts of interest are reviewed by the educational activity course director/chair to ensure that such situations are properly evaluated and, if necessary, resolved. Mississippi State Medical Association educational standards pertaining to conflict of interest are intended to maintain the professional autonomy of the clinical experts inherent in promoting a balanced presentation of science. Through our review process, all Mississippi State Medical Association CME activities are ensured of independent, objective, scientifically balanced presentations of information. Disclosure of any or no relationships will be made available for all educational activities.

Disclosures

Disclosures will be provided to learners prior to the start of the activity.

Disclaimer

The information provided at this activity is for continuing medical education purposes only and is not meant to substitute for the independent medical judgment of a healthcare provider relative to diagnostic and treatment options of a specific patient’s medical condition.
